

## Online Test Results Now Available!

Orchid PRO-DNA is pleased to announce that you can now access your DNA test reports on the web. This new free service allows you to:

- **Access DNA test reports securely as soon as they are ready**
- **Consult test reports from any location, at any time**
- **Archive test reports for future reference**
- **View educational material and news**

We are proud to be the leading supplier of DNA identification tests in Canada and are committed to providing you outstanding customer service.

DNA tests are performed in our Canadian laboratories, ensuring the utmost protection of our clients' privacy. Our laboratories provide results of the highest quality and are accredited by the Standards Council of Canada under ISO 17025.
